

Christmas FOR 1

Will you answer the call to provide
Christmas for one child
this holiday season?

Meet 2-year-old Mateo. He and his family visit Harvest Compassion Center when they are low on food and clothing. Mateo's mom is currently raising her kids alone and feels the burden of paying her rent and utilities, as well as providing presents when Christmas arrives. Until last year, Mateo and his siblings had never experienced Christmas with brand new toys. This holiday season will you answer the call and bless kids just like Mateo?

You can provide Christmas for one child at a time.

**HERE'S
HOW**

HARVEST COMPASSION CENTER **Christmas Toy Drive**

Toys are distributed beginning on **MONDAY, DECEMBER 2ND**

HCC was blessed to hand out over 13,000 toys last year, 100% of these toys were donated. Please help us once again serve kids locally this Christmas!
