

Most kids hope they get something special for Christmas, but some kids hope they just get something...

Will you provide Christmas for one child?

HARVEST COMPASSION CENTER **Christmas Toy Drive**

WE'RE COLLECTING TOYS NOV 26-DEC 23

For many nearby families, toys and Christmas gifts are simply beyond their means. Last year, HCC was blessed to hand out over over 10,500 toys — 100% of these toys were donated. This Christmas, will you join us as we shower our community with compassion by providing Christmas for one child at a time?

Please help us once again serve kids locally this Christmas!
