ONE family at a time!

Harvest Compassion Center North Phoenix has proudly served the greater North Phoenix and Scottsdale communities since opening as HCC's first location in 2011. Committed to bridging the gap for families in Arizona's most underserved areas, HCC ensures local resources are within reach for those in need. While this region is often seen as free from hardship, the reality is different: 1 in 7 adults and 1 in 5 children in Arizona face hunger. These people are your neighbors—people you see every day. This HCC location has become a pillar of support, offering hope to families navigating affordable housing challenges, enduring medical hardships, and assisting senior citizens who can no longer survive on social security alone. Together, we stand in the gap, transforming lives and strengthening our communities.

“Each time I enter HCC North Phoenix, I am inspired. The hope that fills the space comes from the community’s generosity in donating and serving. It also comes from the guests who lift us up with their kindness, stories, and the opportunity to see how compassion can make a difference for those in need. They leave with more than just food, hygiene, clothing, and baby items; they leave with hope and the knowledge that we see them at HCC.”

Harvest Compassion Center Maryvale has proudly served local families for the past seven years, becoming a beacon of hope across the West Valley. This location has grown into our busiest HCC center, and for good reason—it's a place where community and care meet. In December, Maryvale made history with a record-breaking day, serving an incredible 96 families in just one day! Every morning, no matter the season—whether it's chilly or the sweltering Arizona heat—individuals line up before dawn, waiting patiently to access essentials. Inside, they find nonperishable food, fresh produce, frozen proteins, hygiene items, and even a new outfit to brighten their day. And let's not forget "Fun Fridays," a Maryvale tradition where the joy of serving neighbors has turned into a growing phenomenon. Because at HCC Maryvale, caring for your community isn't just impactful—it's fun!

“The culture of HCC Maryvale is full of fun, gratitude, and love. It is incredible to witness the connections being built each day here. Our staff and volunteers have formed strong relationships with guests, and that is a blessing. We hear stories of hardship, but we also hear just as many stories of hope. The families we meet are so appreciative and loving. I am extremely blessed and honored to serve our community.”

Harvest Compassion Center West Phoenix is celebrating five incredible years of service! Reflecting on our launch in 2020, right in the midst of the pandemic, we knew the road ahead would be filled with challenges. Yet, each day has proven to be an opportunity to make a difference, and we're thrilled to serve this resilient community. Whether we're welcoming a new friend from across the globe or a new volunteer eager to give back, we are continually inspired by the connections we make. From providing free groceries and clothing to sharing vital community resources, every encounter is a chance to bring hope and support to those who need it most.

VOLUNTEERS IN ACTION

“I love working in the Back of House at HCC! Processing all the awesome donations that come in is so rewarding! Receiving pounds of food from so many incredible donors is truly a blessing. We can give our guests the clothing and food they need for their families, which fills my heart with joy!”

— **Mary Savoca**
Processing Manager

Did you know that 100% of Harvest Compassion Center’s clothing and shoe donations come directly from generous community members like you? That’s right—HCC doesn’t use its budget to purchase these items. We rely on YOUR SUPPORT to serve your neighbors. By donating gently used clothing, shoes, purses, accessories, and maternity wear, you can make a tangible difference in someone’s life.

From professional attire to casual wear for newborns, seniors, and everyone in between, we carry and distribute it all! Our most requested items? Shoes and jeans—especially for men. Once you drop off your donations, our dedicated team of volunteers carefully sorts, launders, irons, and tags each item to make it look brand new. Why? Because our guests at HCC deserve nothing less than the best!

Beyond clothing, our hardworking volunteers also process daily donations of food,

hygiene products, and diapers. They weigh, date-check, and sort every item to ensure our mini-marts are fully restocked and ready to serve those in need.

If you're interested in hosting a food, hygiene, diaper, or even a shoe drive, we'd love to hear from you! Visit our website to get involved.

A heartfelt thank-you to all our volunteers and team leads—your dedication ensures our centers remain full and welcoming for every guest who walks through our doors.

“ I am so grateful for the opportunity to serve my Lord at HCC. I am asked why I iron clothes for HCC...it's for all the families who have fallen on hard times and perhaps feel their dignity has been taken from them. They deserve nothing but the best and with freshly washed and ironed clothing they can feel their dignity restored! ”

As the holidays approach each year, our team at Harvest Compassion Center eagerly anticipates the launch of our annual Christmas Toy Drive — a tradition that has grown stronger with every passing year.

CHRISTMAS FOR

Center

For the past 11 years, HCC has collected over 10,000 toys each holiday season, bringing joy to local children during the month of December. This year, we had the privilege of spreading Christmas cheer to 3,007 kids!

Thanks to the generosity of over 100 local donors, who filled cars, trucks, and vans with toys, bikes, and gift cards, children ranging from infants to teens were able to receive a special gift.

December 2024 saw a remarkable increase, serving 450 more families than the year before. A heartfelt

THANK YOU

goes out to all the volunteers, donors, and partners who helped make this holiday season truly unforgettable.

**20 Years
of Service!**

Ever since we were kids, my brother Mitch had the biggest personality, boundless energy, and a magnetic presence that made him so much fun to be around. One of his greatest gifts was his ability to light up a room with laughter and connect with everyone he met. Even those who tried not to like him couldn't resist his charm—Mitch had a way of making every person in the room feel like his best friend.

When Mitch was suddenly taken from us at just 23 years old in an accident, it felt as though the laughter and joy in our lives had been stolen. He was the catalyst for so many of those moments. I wondered if we would ever truly smile or laugh again. Yet, we realized that the best way to honor Mitch's life was to take our cues from him—to live fully, love deeply, and show up when it matters most.

In 2004, we dove headfirst into creating an outreach that Mitch would be proud of—and, even more, one he'd be first in line to support! Today, Mitch's inspiration continues to guide us, motivating our work at Harvest Compassion Centers as we carry forward his spirit of generosity, joy, and kindness.

Fifteen years later, our doors remain open, even during the toughest times, including a pandemic. To date, we have served 108,647 families. Every day, our lobbies are filled with smiles and laughter as we work tirelessly to give each guest a dignified, fun shopping experience that shows how much we care.

Last year brought another season of remarkable growth. Over 2,000 additional families came through our doors seeking assistance compared to the previous year—families in need of food, hygiene items, baby supplies, and clothing. Some visited simply because they needed a hug, a listening ear, or a prayer to remind them that everything will be okay.

HCC is honored to operate three locations in Arizona’s most underserved communities. Our work is supported by countless volunteers who serve six days a week, thousands of in-kind and financial donors who believe in our mission, and a dedicated team of 15 staff members united by a shared purpose.

That purpose is simple yet profound: to show the love of Jesus to everyone we meet. We strive to be His hands and feet, offering first-class hospitality, going the extra mile to meet needs, and building relationships that strengthen and uplift our communities.

It’s incredible to think that because of one extraordinary kid named Mitch, a safe and welcoming space exists today—a place where we know your name, where your past does not define you, and where every new day brings hope and possibility.

Thank you for showing up with us. Thank you for believing in this mission. And thank you for helping us continue Mitch’s legacy of love, laughter, and kindness.

Grateful for every opportunity,

Nicolee
